

# Year 1 Reading List 2024

**The following list contains books we hope will appeal to the girls in Year 1. We have selected titles from a range of authors, aiming to offer an assortment of texts suitable for their varying interests and needs.**

**Some of these books are for children reading alone, while others would be more suitable to read to or with your child. This is by no means an exhaustive list, neither is it a compulsory list! We ask only that your daughters read as much as they can in order to develop their individual taste and judgment.**
